

## **Welcome and thank you for considering membership in the Vienna Chamber of Commerce!**

The Vienna Chamber of Commerce functions to showcase our community and to benefit our members. All activities sponsored by the Vienna Chamber are designed to enhance our community and ultimately, to assist our members and businesses.

Special events are held to promote Vienna and draw visitors to the community. 2021 was a very challenging year for us as we explored new ways to promote our community and surrounding areas in a positive manner. In 2021: we held outdoor movie nights, hosted Trunk or Treat around the courthouse square, organized the Christmas Around the Square event and with the dissolved Maries County Fair Board Association, we took up the cause and organized a very successful 75th fair.

We held numerous ribbon cuttings for new businesses to help them jump-start their industry. We have created a welcome center so visitors may grab a business brochure or city map depicting markers of VCOC business members and points of interest. We hope to finish the welcome center in early 2022.

One thing we are very proud of is the Community Empowerment Grant we were awarded from Missouri Main Street Connection. This grant is based in economic development and will help us revitalize our town square and other areas in our area. We continue to promote our community businesses through the website, social media, and newspaper.

**Meetings:** Every month on the last Thursday at 5:30pm to be held at various locations.

**BOM:** The Chamber features one COC business a month by doing a Business of the Month article in the Maries County Advocate. The Chamber also showcases them on the VCOC website and social media.

**Ribbon cuttings:** The COC welcomes all new businesses in the Vienna Community by doing ribbon cuttings at the new business location to generate an awareness in the community of the new businesses in town.

Without the efforts of our individual community members and our businesses working together, we would not have the successful events that continue to put Vienna on the map! Whether you are an individual, a student, or a business, we invite you to join us in 2022 as we work together to promote our community and the surrounding areas!
